Invitation to Join the Glasshouse Country Care Consumer Advisory Board

I hope this letter finds you in good health. At Glasshouse Country Care, we are committed to providing the highest quality of services to our clients. We greatly appreciate your feedback and insights, as they play an invaluable role in shaping and improving the services we offer.

We are excited to invite you to join the Glasshouse Country Care Consumer Advisory Board. This advisory board will serve as a vital platform for open and constructive discussions, allowing us to better understand your needs and expectations. Your input will directly contribute to the continuous improvement of our services.

The Glasshouse Country Care Consumer Advisory Board will meet quarterly at our office, providing an opportunity for consumers and their representatives to share their thoughts and experiences with us. The meetings will serve as a forum for discussing various aspects of our services, and suggestions for improvements.

The first meeting is scheduled for April 24, 2024 at our office. If you are interested in participating in this advisory board, please notify us by email at admin@ghcare.org.au or by phone on 07 5494 6948.

In the event that the number of expressions of interest exceeds our capacity we will request the completion of an application form detailing your skills and experience and other information relevant to the role.

Thank you for your ongoing support and for considering this invitation and we look forward to working closely with you. If you have any questions or require further information, please do not hesitate to contact us.

Kind regards,

Clare Mullins
General Manager
